CONFIRMATIONS, YOUR STORY SURVEY

Welcome To our November Young Adults and Families Newsletter. Our prayer is that this newsletter might enable us to remain connected across our movement. Let's continue to encourage each other as we head into this season of Advent.

In this season, we have a number of updates to share with you. Firstly, we are excited to share in the mission and journey of Graeme and Susan Liersch, as they minister to the people of Nepal through a partnership with SOMA. We also congratulate Holly Banning on her recent baptism and continue to uphold her in encouragement and prayer.

Thank you for taking the time to read this newsletter, and please do not hesitate to reach out if you have any further prayer requests or needs.

# NEWS AND UPDATES

## Mission Update and Prayer Requests

Firstly, an exciting update from Graeme and Susan Liersch. Graeme and Susan have recently responded to God's call to minister to the people of Nepal. Graeme and Susan are being supported by SOMA (Sharing of Ministries Abroad). Graeme and Susan are in Nepal for 10 days; prayer for them in this time is much appreciated.

We will continue to provide updates and further prayer requests for Graeme and Susan as they are received.

If you are interested in partnering with the Young Adults and Families Movement in prayer, please reach out - prayer is an essential part of our movement. Some prayer requests this month are:

- Prayer for the Bishop-in-Council meeting coming up in December
- Prayer over the various baptisms and confirmations in the Diocese, both those that have recently taken place and those upcoming
- Prayer for growth and further development of our identity as an Anglican movement
- That our vision will continue to be blessed by the Lord

## Baptisms and Confirmations

Congratulations to Holly Banning who was recently baptised. Holly currently serves as the office administrator at the Warragul Parish, and many of us have been blessed by witnessing her journey. Please continue pray for Holly, that she might continue to live into the promise she has received in faith.

Alisha will be confirmed in an upcoming service at Drouin on the 27th of November. Please pray for Alisha, for a deepening of her journey, faith and calling during this time, and that others might journey alongside her.

If there are any other upcoming baptisms or confirmations around the Diocese, please let us know; baptisms and confirmations are an encouragement for many, and we'd love to share in these with you, whether through prayer or other forms of support.
